TO WHOM IT MAY CONCERN

We are pleased to inform that M/s SPACEFIRECORP LLP, spearheaded by Mr. Pramod Deval, have successfully implemented our SOLAR PROJECT which was designed for a rated capacity of 100 kW, catering to our Common Facility Energy requirement for Lifts, Water Pumps, Garden, Internal Roads and Community Hall.

The date of commissioning was 3rd July '25.

They honoured all the commitments they had made during the order finalisation process from Drawing Board to Delivery.

They particularly excelled in:

- Interaction with MSEDCL authorities including all paperwork, Meter surrendering and procurement of Net Meter etc.
- Making subsidy amount available well ahead of projected time
- Promptly attending to any teething troubles

Their Technical expertise, Experience and Maturity were clearly visible during the execution of the entire Project.

They had competed against eight other bidders and on hindsight, we are extremely happy and satisfied about our decision to engage them for the project.

WE WISH THEM ALL THE SUCCESS IN ALL THEIR FUTURE PROJECTS.

TO WHOMSOEVER IT MAY CONCERN

We have successfully implemented our SOLAR ROOFTOP PROJECTS for a rated capacity of **Corona A- 100 kW** catering to our Common Facility Energy requirement for Lifts, Water Pumps Staircase Lighting etc recently. We had invited tenders from 10 reputed Vendors and after evaluating the proposals of all the Vendors, we selected **M/s SPACEFIRECORP LLP** for installation of above solar Rooftop Project.

The Work Order for the Project was issued in favour of M/s SPACEFIRECORP LLP on **1st January 2026** and on **26 February 2026**, within a period of **57 days**, the net meter commissioning was done. The entire Project was completed more than a Month earlier of the schedule, which helped us to harness the solar benefit during the summer season.

They have a strong technical expertise and are very professional in their interactions.

They have managed all the coordination with MSEDCL for name change, load addition, feasibility, release letter, meter installation, etc. quite fast and without any hiccups.

The central government subsidy was disbursed to our Bank Accounts within 20 days of commissioning.

They have been promptly attending our queries and calls.

We are extremely happy and satisfied about our decision to engage them for the project.

WE WISH THEM SUCCESS IN ALL THEIR FUTURE PROJECTS.
